**Instructions:** An applicant for EMT-III training should complete all blocks in section A. Each line in Section B should be completed by the individual who witnessed the venipuncture. The witness must be an individual certified at the EMT-II level, or above, who is certified or licensed to perform venipunctures. The applicant must complete the ten (10) required venipunctures, eight of which must have been with catheter-covered needles, prior to entry into an EMT-III training class. The original completed form must be returned to the Section of Community Health and EMS. A copy must be presented to your EMT-III Instructor prior to enrollment in the class. You will want to keep a copy of this form for your own records. **Applicants who do not complete the required venipunctures will not be accepted into EMT-III training.**
